

Featherlocks™ are real feathers available in an array of colors that are easily and inexpensively applied to your hair to add subtle or dramatic highlights without damage or altering color.

A new and simple chemical-free technique utilizes silicone bead technology which allows a licensed stylist to safely apply as many or as few Featherlocks™ to create a subtle or dramatic effect. And because they come in an array of colors, there is no limit to the imagination or desired effect.

Want a change? Featherlocks™ are easily removed in a matter of seconds, and reapplied without worry.

Because they are inexpensive and easily cared for, Featherlocks™ are fabulous for kids and teens - it is a great way for them to make a statement and express individuality without ruining their hair or the family reunion!

Featherlocks™ are made of only the highest quality feathers. Made to last, Featherlocks™ will not fatigue under styling conditions, they can be washed, dried, flat-ironed or curled. While they can stay in hair for up to 8 weeks, Featherlocks™ last a lifetime and can be used over and over again without losing integrity or luster. Featherlocks™ are available in a vast array of colors, patterns and lengths.

Featherlocks™ are available only through licensed hair stylists and salons.
